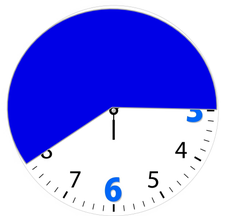
THE KEY TO SUCCESS

We have reinvented the school day

Core truths of transformation

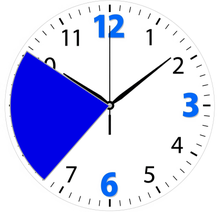
- Children should love school more than vacation
- Children can master academics in 2 hours per day
- The key to your children's happiness is high standards

Traditional



6 hours of classroom instruction

Alpha Model



2 hours of academic mastery

+

4 hours of life-skills development

Timeback: the AI and learning science platform delivering academic mastery 10x faster than traditional schooling

AlphaCore: an AI-age life-skills curriculum developing student leadership, teamwork, communication, resilience, and other non-academic capabilities
